

158 Oxford Street, South Dunedin (03) 466 3407

Kia Ora Tātou,

As regular users will have noticed, we have had a few changes at the Early Years Hub in recent weeks. There are new Hub hours – **10:00 am to 4:00 pm Monday to Friday** – and some new faces at the Hub reception.

Erin is the new Hub Coordinator and Information Service Coordinator, and Kaye is the new Parenting Through Separation Coordinator.

We are both enjoying our new roles based at The Hub, and are happy to assist you in any way we can so you can continue to enjoy this special space.

At the Hub we continue to offer a warm environment to stop in for a cuppa, lots of items for adults, children and babies on our free tables, and a warm toy room for children to play in.

We have a computer suite for you to use, and our toy library has lots of quality books and toys for you to borrow – **all for free**. Our tables and noticeboards are **bursting** with information about everything from birth, budgeting, and parenting, to community groups and events.

Hub Group Spaces

We value all the lovely, interesting groups who use our rooms. **Thank you** to everyone for being so welcoming as Kaye and I settle into our new roles. There are spaces available for more groups, so if you are interested please stop in or call **Erin on 4663407** to discuss.

The Breast Room has moved to The Valley Project at 262 North Rd, Northeast Valley. They now offer their free drop-in, support and information sessions on Wednesdays from 10.30am-12.30pm. Email otagobreastfeeding@gmail.com for class dates.

About the Hub

The Early Years Hub is a service of The Methodist Mission Community & Social Services.

We welcome donations of clean, good condition clothes and household items. Donations for the Curtain Bank now go directly to Level 1, 174 Princes Street during office hours, as the Curtain Bank are no longer able to pick them up from the Hub.

Ngā mihi katoa
Acknowledgements to you all,

Erin

Visit the Hub on Facebook for news, updates and delicious, affordable recipes from our Grow, Cook and Eat courses:
